

ST.JOSEPH GLOBAL SCHOOL,DANAPUR NEWS LETTER JUNE 2026

Introduction

June focused on campus development, teacher training, the admission campaign, and preparations for CBSE affiliation. The school also promoted environmental awareness through a Nukkad Natak on World Environment Day and welcomed visits from Fire & Safety and Electricity Department officials to strengthen safety and infrastructure.

World Environment Day Celebration

On 5th June, Our students perform a Nukkad Natak on the theme “Save Earth” for the World

Environment Day with the support of our staff , Sisters and Parents, the progress was conducted successfully and spread awareness about environmental protections.

Admission canvassing (02/06/2026)

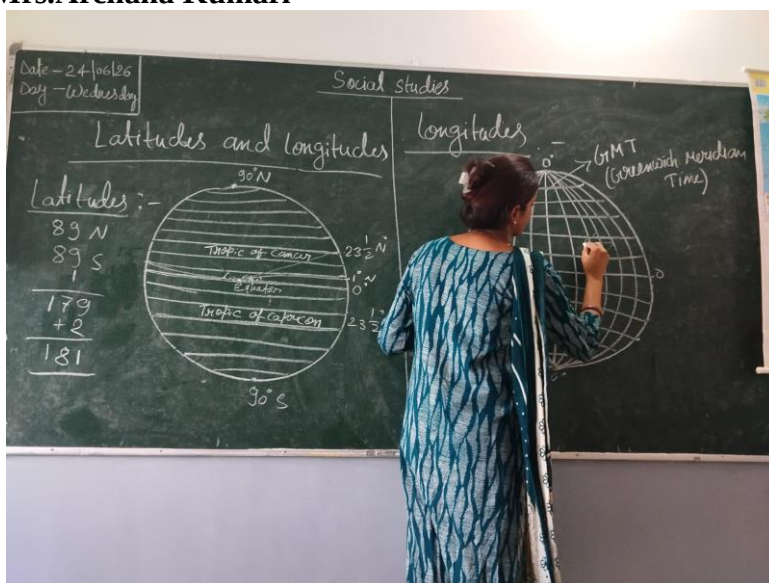

An admission committee meeting for a school evaluates and finalizes student enrollment. Using a "school admission canvas" provides a strategic framework to visualize the entire enrollment journey from start to finish. It maps out target demographics, communication channels, and conversion touch points to optimize the process.

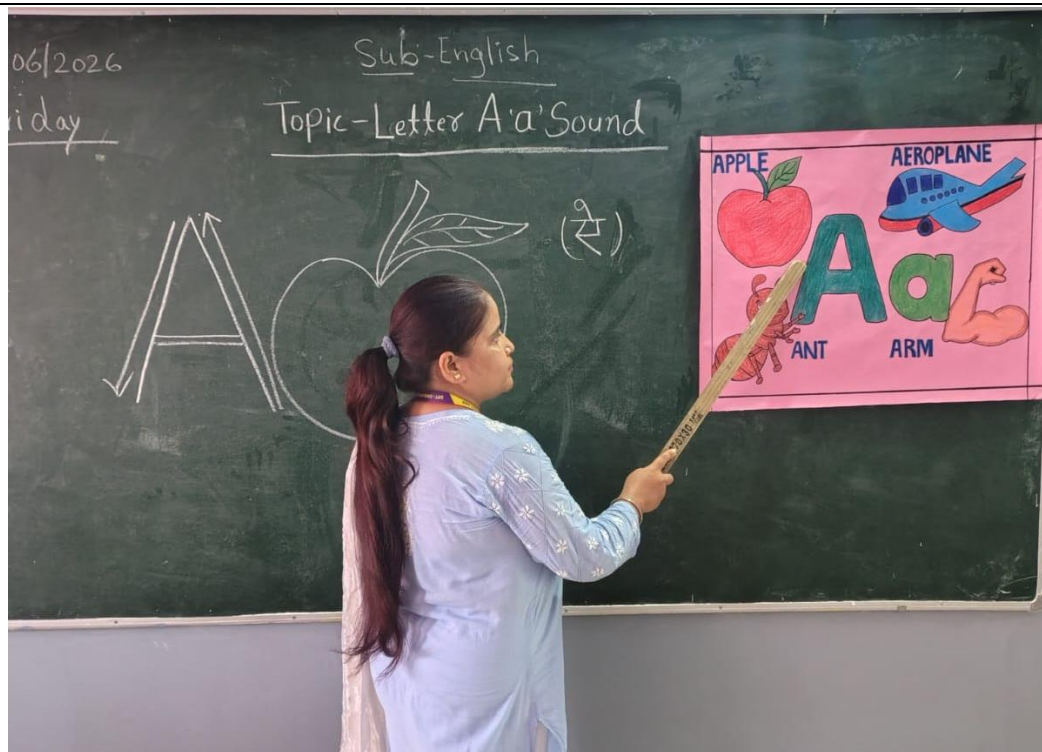

MICRO TEACHING

A micro teaching session was conducted to enhance teachers' classroom skills through short practice lessons. It helped improve lesson planning, teaching methods, communication, and confidence. The session was interactive and provided valuable feedback for professional growth.

VISIT

Fire and safety Inspection held on 04/06/2026

A fire and safety inspection ensures a school meets fire codes and evacuation standards. Inspectors evaluate escape routes, test alarms, verify extinguisher maintenance, and check lab chemical storage. Passing confirms the school is safe for students.

St.Karent Principal's visit -17/06

We were privileged to welcome Mrs. Marykutty, Principal of St. Karent School, who visited our school and provided valuable guidance regarding the affiliation process. Her insightful suggestions and encouragement will help us move forward with greater confidence. We sincerely thank her for her support and guidance.

Buxar Bishop Visit 24/06

We thank the Bishop of Buxar for his visit and prayers for our growth and success.

Electricity Officer Visit Report 25/06

The Electricity Department officer visited the school to inspect the electric line near the main gate. He informed us that the existing line needs to be shifted for safety reasons. He explained that the cost of shifting the electric line must be borne by the school, as no financial support is available from the government for this work.

Play ground expansion work

To meet the infrastructure requirements for school affiliation, the playground area was expanded by removing selected trees from the designated site. The additional space will enhance sports facilities and provide a safer, more spacious environment for students.

Training -Kg teachers 27/06

Conclusion

June was a month of preparation, progress, and new beginnings. Through teamwork, dedication, and continuous improvement, we laid a strong foundation for a successful academic year. We look forward to many more achievements and memorable moments in the months ahead.

Thank You
