manage.

PA III EXAMINATION

We began the PAIII exam on November 25 and ended on November 29. While corrections were being made, teachers were instructed to return the combined marks sheet by December 4 .

Science exhibition :

Our school took part in science exhibition, we also conducted in our school. The images were shared with DFT. Based on this experience for the first time we took our children for the competition.

Here are some of the images.

We would like to focus on

1. Admission
2. Announcements
3. Fee collection
4. Quality teacher and quality education.

We have great competition among the other schools in this area to get admission. Though we have few limitation we rise to bring greater admission this this academic year. We step by step march ahead. NOC is added strength to us.

We have started our advertisement by placing posters and recorded announcement. We have suggested to the campus superior about the academic calender distribution and sigh board on the road sides.

Fee collection;

We keep in mind the fee collection the school . we have collected some amounts. We regularly in touch with parents on the fee collection. Regarding teachers we look forward better cv for the appointment in accordance with DFT. Once we come across we shall send the cv and DFT far-mate to you.

Total Collocation of this month: 178795

Conclusion : This is a monthly new letter from Danapur- Patna Bihar. We try to do better day by day. Thank you for the Guidance and support from DFT and the North Coordinators.
